

Rendili Cosmos ® Small Business Edition SBE

What is it?

Rendili Cosmos® SBE is a small business edition version of Rendili's renowned Web Content Management System (CMS) that allows you to manage the creation, modification, and removal of content from your website without needing a Webmaster.

Why do you need it?

Your website is a showcase to the world. It needs to be fresh, up to date and allow potential clients to quickly get the information they need or make the purchase they want.

To achieve this it must be regularly updated.

Rendili Cosmos ® SBE makes this easy. The software behind the CMS takes the content you enter and compiles it so that the web site is instantly updated.

What are the benefits of using Rendili Cosmos ® SBE?

- Cost effective website start up, maintenance and hosting package
- Speed to market
- Audited, controlled publication
- Reduced IT maintenance costs
- Version control
- Swift and straight forward content publication
- Maintenance of corporate style
- Content Syndication
- Compliance with legislation such as the Disability Discrimination Act (DDA)
- Familiar Microsoft look and feel interface and editor
- Web based access for worldwide access
- Expandability with plug-in modules
- Search Engine Optimisation (SEO) using built-in tools
